

QUILTER'S COLOR WHEEL

The color wheel helps quilters see how colors relate to each other. It's a tool for building balanced, intentional palettes that bring your quilt designs to life.

Reds, oranges, yellows. Feel vibrant, cozy, and close.

Blues, greens, purples. Are calm, airy, and tend to recede.

1 PRIMARY

Red, Yellow, Blue

The base colors that can't be mixed from others.

2 SECONDARY

Orange, Green, Purple

Made by mixing two primary colors.

3 TERTIARY

Red-orange, Yellow-orange, etc.

Created by mixing a primary with a neighboring secondary
